## New Spring Suits

Better Values Than Those Claimed Elsewhere to Be Worth Up to \$25.00

These Suits are exact counterparts of models now displayed in the leading New York specialty shops. Dozens of new spring styles have been added to the collection—which we ask you to compare with those shown elsewhere at \$5.00 to \$10.00 more. An inspection of the styles and qualities in our famous "Fifteen-dollar Line" will convince you that this is the logical place to buy your spring suit.

They show every new conceit brought out this season. Jackets that flare, belted effects, semi-Norfolk, smart boxy coats, fancy tailcoats and conservative models are shown in scores of designs.

Materials are Gabardine, Poplin, French Serge, Shepherd Checks, Men's Wear Serge and Novelty Suitings.

All the new spring colors are represented, in all sizes for misses and women.
